A Larger Accumulation of Advantages

Than is Offered by any Other Company in the Union.

Attractive Features of the De Soto Mutual.

1st—We believe it issues a BETTER POLICY than any company in the United States. It is plain, simple, short, yet comprehensive contract; not liable to the doubtful construction which aracterizes so many Life Policies. Cd.—The De Soto Mutual Issues an Income Producing Policy. This is a feature not peculial any other Western company. This policy is paid up in ten annual payments, after which hields an annual income to the assured until his death, when the amount of the policy and it acrease will be paid to his heirs. If the assured prefers, the income can be used to increase

Sth—The DeSoto Mutual is the only Western company that issues a Return Premin this plan the assured receives at death the full amount of his policy, together wite endums he has pail out to the company.

This is a safe table for the assured.

9th—The DeSoto Mutual is one of the few companies in the United States which offers both latual and Stock or non-participating tables. Those wishing to secure the largest amount of surance for the smallest amount of money can avail themselves of the non-participating bibes, on which there is no confinement of divident; in fact it is equal to giving the dividend advance and enabling the assured to invest it in insurance at the time he takes out his polley.
